

**PUBLIC NOTICE  
SOLE SOURCE PROCUREMENT INTENT**

**Agency: Portland Development Commission**

**Description: Purchase of Additional Lawson Software System Modules**

A sole source determination has been made to purchase five modules from Lawson Software Americas, Inc. for a total amount not to exceed \$162,000 to further build out the functionality of the Lawson Enterprise Resource Planning (ERP) system for a total of \$162,000. It has been determined that Lawson Software Americas, Inc. is the only provider of this software and only Lawson software is compatible with the existing Lawson software suite owned by PDC.

**Statement of Interest:** Any vendor who is qualified to provide the above software should submit a statement of interest to the contact listed below. If no responses are received from qualified vendors by close of business March 31, 2009, the Purchasing Manager will proceed with the sole source procurement.
