- Intergovernmental Agreement between Portland Development Commission and Portland Parks & Recreation for the Charles Jordan Community Center Re-Roofing Project

**INTERGOVERNMENTAL AGREEMENT**  
**Between**  
**Portland Development Commission**  
**And**  
**Portland Parks & Recreation**  
**For the**  
**Charles Jordan Community Center Re-Roofing Project**

This Intergovernmental Agreement (this “Agreement”), dated this 1<sup>st</sup> day of July, 2015, (“Effective Date”) is made and entered into by and between the **City of Portland, Parks & Recreation** (“PPR”) and the **Portland Development Commission** (“PDC”).

**RECITALS**

1. PDC, as the duly-designated Urban Renewal agency of the City of Portland, is granted broad powers under ORS 457.170 for the planning and implementation of urban renewal projects.
2. PPR is responsible for parks, open space, and recreation operations, services and improvements within the City.
3. A cooperative partnership between PDC and PPR will be beneficial to the implementation of urban renewal plans and the development of other public policies, plans and capital projects.
4. Both parties desire to enter into an agreement that will establish terms and conditions by which one party will engage and compensate the other party for performing specific services.
5. The Portland City Council (“Council”), through Ordinance No. 181232, which was duly adopted by Council on August 29, 2007, and amended by Ordinance No. 183435, passed by Council on January 6, 2010, delegated to the Director of PPR and the City Auditor the authority to enter into intergovernmental agreements with PDC. The form of agreement used for this Agreement is substantially similar to the template that was approved by City Council through the above referenced Ordinance.

Now therefore, the parties agree as follows:

**AGREEMENT**

**I. THE PROJECT**

**A. Background.**

Since 2013, the Charles Jordan Community Center gym roof has been leaking. These leaks have impacted gym programming because of potential safety issues associated with a wet floor. Portland Parks & Recreation (PP&R) maintenance staff have repeatedly tried to stop the leaking with temporary caulking and roof patching; however, these maintenance-oriented solutions have proven to provide only short term benefit.

For this reason, PP&R contracted with Professional Roof Consultants (PRC) in April 2013 to evaluate the roof. As a result of this evaluation, PRC recommended replacement of the gym roof. In 2014, PP&R undertook design of a roof replacement with McBride Architecture that included an investigation of the roof substructure, selection of roof material, and new OSHA requirements for roof access including roof safety anchors and ladder access to the roof. Construction documents were completed and the project was prepared for bidding.

This project was bid in February 2015 using the City of Portland's standard procurement process for competitive low bids. Interstate Sheet Metal Inc. has been selected as the General Contractor and is currently awaiting execution of a Contract pending the availability of funds from the Portland Development Commission. Since the entire gym roof will be removed, construction is scheduled to begin July 1, 2015 to take advantage of the dry summer weather conditions.

The Interstate Corridor Plan identifies public improvements such as community facilities, library branch, arts center, multi-cultural center, intergenerational activity center, and child care as projects that benefit the community; furthermore, the PDC Board and City Council have approved the Eighth Amendment to the Interstate Corridor Urban Renewal Area Revised and Restated Plan which specifically authorizes funding for the roof replacement and finds the Charles Jordan Community Center to be an important benefit to the community and the Interstate Urban Renewal Area.

- A. The Funding Agency shall pay the Performing Agency a lump sum not to exceed **Six Hundred Three Thousand DOLLARS (\$603,000)** for accomplishment of the Work, subject to budget authorization by the Funding Agency.
- B. The funding is from Interstate Corridor URA.

If the Project funding spans multiple fiscal years, the Council / PDC will encumber the funds as the funds are approved through budget appropriation. All funding is subject to budget appropriation. If the full amount of funds is not authorized in the current fiscal year's budget, it is acknowledged that contract amounts identified for expenditure in future fiscal years have not been appropriated in the current year budget. If funding has been identified in the Portland Development Commission Five-Year Budget Forecast, PDC staff agrees to recommend to the PDC Board of Commissioners that the funds identified in the Five-Year Budget Forecast be appropriated in subsequent budgets.
- D. PDC funds shall only be expended on Tax Increment Financing eligible uses, for example, planning for improvements, design and engineering for improvements, and construction of improvements. Costs for operations, maintenance, and moving transit stock are not typically eligible for Tax Increment Financing.

- Contracted Services. Covers reimbursement for contracted professional or construction services in carrying out the Work and within the authorized budget.
  - Indirect Costs. Covers reimbursement for overhead costs shall be at the rate established annually by Council for PPR in accordance with City Code Section 5.48 and for PDC in accordance with Cost Recovery Policy through Resolution 6560.
    - This Agreement was originated in Fiscal Year 2014-15. For that Fiscal Year, PPR's rate is 103.39% (ONE HUNDRED-THREE AND THIRTY-NINE HUNDRETHS PERCENT) of the sum of Personal Services and Benefit Costs per Ordinance No. 182377. PPR Indirect costs pay for administrative time and generally fixed costs related to program management costs including Council charges, central administration costs, executive management staff, rent, telephone, power, insurance, office supplies, and equipment.
    - This Agreement was originated in Fiscal Year 2014-15. PDC Indirect costs pay for generally fixed costs related to the administration and operation of an organization, as well as program management costs including administrative staff, rent, telephone, power, insurance, office supplies and equipment.
    - If this Agreement extends to a new Fiscal Year, the Performing Agency Contract Manager shall provide written notification to the Funding Agency Contract Manager of the new Fiscal Year rate; a change to the rate does not require an amendment to this Agreement.
  - The Funding Agency Project Manager shall be immediately notified of any actual or anticipated variance between the authorized budget and the estimated cost or expenditures described in the Scope of Work and Budget. The parties shall then make a good faith effort to negotiate for a successful modification to this Agreement. Unless this Agreement is modified, the Funding Agency shall not be obligated to make payments for costs that exceed the authorized budget.

- The Termination Date of this Agreement is December 31<sup>st</sup>, 2015.
- Early Termination of Agreement.
  - This Agreement may be terminated at any time by mutual written consent.
  - Upon thirty (30) days written notice, either party may terminate this Agreement where the public interest requires work to cease.
  - In the event of early termination of this Agreement, the work shall cease promptly, as reasonably possible, and a final billing request submitted within sixty (60) days of the effective date of termination. In the event of early termination, eligible costs incurred through the date of the Agreement's termination will be reimbursed.

### **B. Change and Conflict Resolution.**

1. Every effort has been made to accurately identify the scope, schedule and budget for the Work. The Performing Agency and the Funding Agency recognize that events and conditions may arise that significantly impact the Project. A "significant" impact is one that may require expenditure of the Funding Agency controlled contingency, increase the budget beyond the total authorized budget amount shown in the Scope of Work and Budget, or delay completion of this phase of the Project more than one year. Should either party identify or foresee such a circumstance, both parties agree to the following:
  - As soon as practicable, notify both the project manager and contract manager of the other party in writing of the circumstance, its origin and anticipated or confirmed impact.

- Both project managers shall make reasonable efforts to meet within 14 days to identify anticipated or confirmed effects to the Project’s scope, schedule and budget.
- Both parties shall seek to reach agreement on any necessary revisions to this IGA as described below in Section V. B. 2.
- If a dispute arises regarding performance, cost, schedule, scope, quality or other terms and conditions of this Agreement, all parties agree to exercise good faith in expeditiously resolving said conflict in the following manner.
  - All conflicts should first be discussed and resolved if at all possible by the project managers specified in Section II.
  - If the conflict cannot be resolved by the project managers, or involves one of the project managers, then the conflict should be elevated to the contract managers specified in Section II for discussion and resolution.
  - Any conflicts not resolved by the contract managers shall be elevated to the contract signatories for discussion and resolution.

**C. Compliance with Laws.** In connection with its activities under this Agreement, the parties shall comply with all applicable federal, state and local laws and regulations.

**D. Indemnification.**

- Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, PPR agrees to indemnify, hold harmless and defend, PDC, its directors, officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof including reasonable attorney fees, resulting from or arising out of the activities of PPR, its officers, employees or agents under this Agreement.
- Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, PDC agrees to indemnify, hold harmless and defend, PPR, its officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof including reasonable attorney fees, resulting from or arising out of the activities of PDC, its directors, employees or agents under this Agreement.

**E. Subcontracting.** Work under this Agreement shall not be subcontracted in whole or in part to other than City agencies, without the prior written approval of the Funding Agency Project Manager. The Funding Agency will not unreasonably delay or

withhold subsequent authorization for contractors identified by the Performing Agency to perform the Work under the Agreement and that its failure to notify the Performing Agency in writing of denial of authorization within 10 business days after the Funding Agency Project Manager's receipt of a written request for authorization from the Performing Agency shall be deemed as authorizing those identified contractors to perform the Work. The Performing Agency shall require any approved subcontractor to agree, as to the portion subcontracted, to fulfill all obligations of the Performing Agency as specified in this Agreement. Notwithstanding approval by the Funding Agency Project Manager of a subcontractor, the Performing Agency shall remain obligated for full performance hereunder, and the Funding Agency shall incur no obligation to the subcontractor hereunder. The Performing Agency shall have the sole authority to direct the work of any authorized and approved subcontractors.

**F. Ownership of Work Product.** Ownership of any and all plan sets, technical data, documents, plans, designs, drawings, technical data reports, specifications, working papers and other materials produced in connection with this Agreement (the "Work Product") will be handled as described below. Ownership of the Work Product includes all rights, title and interest, including but not limited to copyright rights of specified Work Products.

- Except as described in paragraph 2 below, the Performing Agency shall own all Work Product.
- If the parties determine that the Performing Agency is unable or unwilling to complete the Project, and the Funding Agency determines that a transfer of ownership of the Work Product is necessary in order to effect completion of the Project, upon the Funding Agency's written request the Performing Agency shall assign ownership of the Work Product to the Funding Agency.
- Regardless of ownership of the Work Product, both parties shall have reasonable access to the Work Product.

**G. Delivery / Maintenance of Records.** The Performing Agency shall maintain records on a current basis to support its billings to the Funding Agency. The Funding Agency or its authorized representative shall have the authority to inspect, audit and copy, on reasonable notice and from time to time, any records of the Performing Agency regarding its billings or its work hereunder, for a period of 3 years after completion or termination of this Agreement.

**I. Funding Acknowledgement / Signage.**

1. Any oral reports made to neighborhood, business, or other civic organizations, as well as to any members of the press shall acknowledge work being done is based on a partnership between PPR and the Portland Development

Commission and, if appropriate, financed by “*the Interstate Corridor Urban Renewal Project*”.

2. For projects involving construction activities funded by PDC, PPR shall display a sign near the construction site and readily visible to the public, specifying that the Project is being "*funded by the Portland Development Commission's Interstate Corridor Urban Renewal Project*". The sign shall remain in place until construction is complete.

## **VI. AMENDMENTS**

1. Except as otherwise provided for in this Agreement, PPR or PDC may amend this Agreement only in writing signed by the contract signatories.
2. Changes to the Scope of Work and Budget:
  - a) Changes to the Scope of Work and Budget, including changes to scope, schedule, and budget identified in Section I of this Agreement, which do not increase the total compensation under this Agreement, may be made upon written agreement by the project managers identified in Section II of this Agreement.
  - b) Changes will not take effect or be binding on either party until agreed to in writing.
