Portland Housing Bureau
Inter Government Agreement No.: 3000XXXX

This Housing Rehabilitation, Finance and Development Agreement (“Agreement”), dated July 1, 2011 (“Effective Date”), is made and entered into by and between the **City of Portland, acting by and through its Portland Housing Bureau** (“PHB” or “Bureau”) and the **Portland Development Commission** (“PDC” or “Commission”).

RECITALS

1. PDC, as the duly-designated urban renewal agency of the City of Portland (“City”), is granted broad powers under ORS 457.170 for the planning and implementation of urban renewal programs, projects and activities.
2. PDC’s urban renewal activities include housing rehabilitation, finance and development consistent with ORS Chapter 457.
3. The City Charter charges PDC with implementing the vision and goals of the City relating to affordable housing as adopted by the City Council. PDC may implement the vision and goals through agreement with PHB.
4. PHB is responsible for implementation of the City of Portland’s housing policy. By combining the housing rehabilitation, finance and development urban renewal activities of PDC with the housing policy work of PHB, the City will enhance its ability to meet housing policy goals established by Council, including goals to address homelessness, to facilitate the preservation and development of affordable rental housing, to assure housing stability, and to promote homeownership while also working to reduce blight and blighting conditions in the City’s urban renewal areas.
5. In order to promote greater coordination between the housing rehabilitation, finance and development projects undertaken as urban renewal activities and the City of Portland’s housing policy implemented by PHB, and as authorized by ORS 457.210, PDC and PHB entered in that certain Fiscal Year 2010-2011 Housing Rehabilitation, Finance and Development Agreement (Inter Government Agreement No. 30001463) dated July 1, 2010 (the “Prior IGA”) pursuant to which PDC contracted with PHB for implementation of that portion of PDC’s urban renewal activities involving housing rehabilitation, finance and development and under which PHB assumed responsibility for other housing activities historically performed by PDC.
6. The Prior IGA terminated on June 30, 2011.
7. PDC and PHB desire to enter into this Agreement to provide for PHB’s continuing implementation of that portion of PDC’s urban renewal activities involving housing

rehabilitation, finance and development and to provide for PHB's continuing responsibility for other housing activities historically performed by PDC.

Now therefore, the parties agree as follows:

AGREEMENT

I. DEFINITIONS

Unless otherwise defined herein, capitalized terms used in this Agreement shall have the meanings set forth in this Section I.

Affordable Housing Set Aside Policy means the policy adopted by the City Council on October 25, 2006 as Ordinance 180547 allocating 30% of urban renewal funds to affordable housing, as such policy may be amended from time to time by the City Council.

Effective Date means July 1, 2011.

Former PDC TIF Projects means housing rehabilitation, finance and development programs, projects, and activities undertaken by PDC prior to July 1, 2010 and financed with funding derived under ORS Chapter 457, including programs, projects and activities not yet completed on the Effective Date, other than loans that require no further loan servicing or compliance monitoring under the loan agreement or related documents.

Funding means the funding PDC is providing to PHB under the terms and conditions of this Agreement, as further described in Section VI of this Agreement.

Housing Forecast means the forecast for the succeeding four fiscal years that identifies the currently anticipated future urban renewal financing available for Urban Renewal Housing Projects. A copy of the Housing Forecast is attached hereto as Exhibit B and incorporated herein by this reference.

PHB TIF Projects means new housing rehabilitation, finance and development programs, projects and activities undertaken by PHB after July 1, 2010 and financed with funding derived under ORS Chapter 457, including programs, projects and activities not yet completed on the Effective Date.

Other Housing Activities means housing programs, projects and activities that PDC has historically undertaken or engaged in that are not financed with funding derived under ORS Chapter 457, other than Fannie Mae loan servicing and loans that require no further loan servicing or compliance monitoring under the loan agreement or related documents. The housing programs, projects and activities that PDC has historically undertaken or engaged in that are not financed with funding derived under ORS Chapter 457 include, but are not limited to, those listed on Exhibit A, attached hereto and incorporated herein by this reference.

Program Income means revenue generated by assets created or acquired, or activities financed with, tax increment resources or Program Income of an urban renewal area. Program

Income includes, but is not limited to, loan repayments and the proceeds of the sale of real property or other assets, including assets PDC transferred to PHB.

Urban Renewal Housing Projects means all PHB TIF Projects and Former PDC TIF Projects.

II. PHB SCOPE OF WORK

Subject to the terms and conditions of this Agreement, PHB shall perform the following activities. To the extent authority has been conferred by law on PDC to perform these activities, PDC hereby delegates such authority to PHB as necessary to perform the activities.

A. Urban Renewal Housing Projects.

1. PHB shall select, plan and implement PHB TIF Projects in the City's urban renewal areas consistent with the City's housing policies and urban renewal objectives, as reflected in the relevant urban renewal plans and the City of Portland's housing policy, subject to the requirements of applicable law, including ORS Chapter 457. PHB will be responsible for decision-making regarding PHB TIF Projects, including project priority, as well as determining and certifying which costs are tax increment eligible.
2. PHB shall continue to be responsible for completion and monitoring of all Former PDC TIF Projects, consistent with the City's housing policies and urban renewal objectives, as reflected in the relevant urban renewal plans and the City of Portland's housing policy, subject to the requirements of applicable law, including ORS Chapter 457.
3. For each Urban Renewal Housing Project, PHB shall be responsible for all work necessary to develop, complete and administer the program, project, or activity, including but not limited to, outreach, planning, acquisition, disposition, relocation, negotiation and underwriting, preparing and executing the necessary documentation, and administering all related contracts and agreements, including disbursements, construction coordination and monitoring, compliance monitoring, environmental inspections, asset management (including but not limited to loan servicing and property management), accounting, reporting, and enforcement. PHB and PDC contemplate that a portion of the foregoing work may be contracted back to PDC under the terms of a separate Support Services Agreement.
4. PHB shall be responsible for satisfying the requirements of the City Council's Affordable Housing Set Aside Policy.

5. In implementing Urban Renewal Housing Projects, including but not limited to Urban Renewal Housing Projects implemented through agreements with developers or other third parties who then enter into the construction and other contracts necessary for the project, PHB will employ its best efforts to meet or exceed the City's MWESB goals and objectives for Emerging Small Businesses, Women and Minority owned-businesses and apprenticeships.

B. Other Housing Activities.

1. PHB shall continue to be responsible for all Other Housing Activities.
2. For all Other Housing Activities, PHB shall be responsible for all work necessary to develop, complete and administer the program, project, or activity, including but not limited to, outreach, planning, acquisition, disposition, relocation, negotiation and underwriting, preparing and executing the necessary documentation, and administering all related contracts and agreements, including disbursements, construction coordination and monitoring, compliance monitoring, asset management (including but not limited to loan servicing and property management), environmental inspections, accounting, reporting, and enforcement. PHB and PDC contemplate that a portion of the foregoing work may be contracted back to PDC under the terms of a separate Support Services Agreement.
3. PHB agrees and acknowledges that its work under this Section II(B) is not financed and will not be reimbursed under this Agreement.

III. PDC OBLIGATIONS

PDC will facilitate communication among PDC, PHB and the established Urban Renewal Advisory Committees regarding Urban Renewal Housing Projects, and related budgets and project prioritization.

IV. PHB and PDC JOINT OBLIGATIONS

- A. PHB and PDC will coordinate and cooperate regarding creation and amendment of urban renewal plans as they relate to housing. PDC will include PHB in its planning efforts with respect to the housing aspects of urban renewal plans.
- B. PHB and PDC acknowledge that \$450,000 in urban renewal funds from the Lents Town Center Urban Renewal Area (the "LTC URA"), that would otherwise have

been included in the Funding (as defined below) available to PHB under this Agreement, was, with PHB's consent, combined with other PDC funds to finance PDC's purchase of the real property located at 7238 SE Foster Road, Portland, Oregon, in the LTC URA (the "Mixed Use Site"). PHB and PDC currently anticipate that a portion of the Mixed Use Site will be redeveloped as housing. Accordingly, PDC and PHB agree to collaborate on the future redevelopment of the site, including but not limited to, determining which party will control redevelopment of the Mixed Use Site.

V. CONTRACT MANAGEMENT

A. Commission.

1. PDC Contract Signatory. The Commission Contract Signatory shall be the Executive Director, or such other person as designated in writing by the PDC Executive Director ("PDC Contract Signatory"). The PDC Contract Signatory is authorized to give notices and to carry out other PDC actions referred to herein, including termination of this Agreement as provided in Section VIII.
2. PDC Contract Manager. The Commission Contract Manager shall be Tony Barnes ("PDC Contract Manager"). The PDC Contract Manager is responsible for the day-to-day management of the Agreement as provided herein and serves as the first level of conflict resolution.

B. Bureau.

1. PHB Contract Signatory. The PHB Contract Signatory shall be the Director of the Portland Housing Bureau, or such other person as designated in writing by the Director of the Portland Housing Bureau ("PHB Contract Signatory"). The PHB Contract Signatory is authorized to give notices and to carry out other PHB actions referred to herein, including termination of this Agreement as provided in Section VIII.
2. PHB Contract Manager. The PHB Contract Manager shall be Alissa Mahar ("Bureau Contract Manager"). The PHB Contract Manager is responsible for the day-to-day management of the Agreement as provided herein and serves as the first level of conflict resolution.

VI. FUNDING / COMPENSATION / ALLOWABLE COSTS

- A.** Subject to the terms and conditions of this Agreement, PDC agrees to transfer to PHB, on a reimbursement basis for work performed under Section II(A) of the PHB Scope of Work during fiscal year 2011-12, a sum not to exceed the amount set forth in Exhibit C (the "Budget") attached hereto and incorporated herein by this reference (the "Funding"). The PDC Contract Signatory and the PHB Contract Signatory are authorized to modify the Budget, through a duly executed

amendment to this Agreement, if sufficient funds have been appropriated for Housing in the PDC Budget to cover the maximum amounts payable by PDC under this Agreement from each urban renewal area and sufficient funds have been appropriated in the city of Portland's Budget to cover the costs of providing the services under this Agreement.

- B.** The full amount of the Funding is authorized in PDC's budget for Fiscal Year 2011-12. In addition to the Funding, PDC has prepared the Housing Forecast for the succeeding four fiscal years that identifies the currently anticipated future urban renewal funding for Urban Renewal Housing Projects. All Funding not expended in Fiscal Year 2011-12 and all funding in the Housing Forecast is subject to budget appropriation and, if appropriated, will be made available to PHB under the terms of a future intergovernmental agreement or an appropriate amendment of this Agreement. PDC staff will recommend that any Funding encumbered but not expended in Fiscal Year 2011-12 as well as the urban renewal financing for Urban Renewal Housing Projects identified in the Housing Forecast be appropriated in subsequent PDC budgets, as reasonably necessary, to the extent funds are available, and to the extent consistent with the City Council's housing policy, including its Affordable Housing Set Aside Policy. Future funding from PDC for Urban Renewal Housing Projects is expected to comply with the City Council's Affordable Housing Set Aside Policy, though the actual amount appropriated from year to year may vary based on actual expenditures in prior years.
- C.** The Funding made available to PHB under this Agreement is comprised solely of urban renewal resources available to PDC under ORS Chapter 457. Accordingly, PHB's expenditure of the Funding is subject to the limitations of, and must be consistent with, ORS Chapter 457. PDC will make the Funding available from the urban renewal areas as set forth in the Budget. Funding made available from a particular urban renewal area, as well as Program Income generated by a particular urban renewal area, may be utilized solely on Urban Renewal Housing Projects in that urban renewal area. As further described in Section VII below, PHB may seek reimbursement from PDC under this Agreement for the following costs reasonably incurred in performing activities falling within Section II(A) of the PHB Scope of Work, within the line-item limits of the Budget and subject to the monetary and use limitations set forth above.
1. Direct Costs
 - a) Personal Services. Reimbursement of direct salary and benefit costs paid to staff.
 - b) External Materials and Services. Reimbursement of actual costs for the purchase of materials, supplies and external services, including but not limited to, professional/technical/expert services, equipment, construction services, travel, training, and incidental expenses.

- c) Capital and Financial Assistance. Reimbursement for disbursements made under loan, grant, or other financial assistance agreements, for acquisition of real property by PHB, and for environmental remediation of real property owned PHB, made pursuant to PHB and City of Portland policies, procedures, and guidelines.
2. Indirect Costs
- a) Personal Services. Reimbursement of PHB administrative, planning, and policy unit indirect staff costs (charged to a TIF indirect staffing cost center, which is then allocated based upon direct staffing charges to URA projects).
 - b) Support Costs. Reimbursement of support costs including space rental, City of Portland Bureau of Internal Business Operations charges, and other generally accepted fixed costs of doing business. These costs will be reimbursed in FY 2011-12 via an indirect cost charge of 75.2% against billed direct personal services costs of PHB staff in each URA. This rate is derived from PHB's OMB A87 Indirect Cost Plan as approved by the US Department of Housing and Urban Development.

VII. BILLING AND PAYMENT PROCEDURE

- A.** PHB shall submit to the PDC Contract Manager a monthly itemized billing for work performed as described in Section II(A) of the PHB Scope of Work. In order to receive timely payment, interim billings must be received no later than forty (40) days following the end of a billing period.
- B.** Each billing shall include a Billing Detail Report in a format created and/or approved by PDC. At a minimum, each billing shall include the following information, by urban renewal area, for work performed during the month:
 - 1. a description of the nature and cost of work accomplished;
 - 2. the names, rates and hours worked of personnel;
 - 3. disbursements to consultants, contractors and outside vendors for materials and services;
 - 4. disbursements under loan agreements, grant agreements and other financial assistance agreements and costs incurred for acquisition of real property or for environmental remediation of real property;
 - 5. certification, substantially in the form of Exhibit D attached hereto and incorporated herein by this reference, that the costs for which PHB is seeking reimbursement are eligible urban renewal costs under ORS Chapter 457;

6. a summary of the Program Income received by PHB during the month; and
 7. such other documents and information as PDC may reasonably request to meet its business needs, including but not limited to, the need to document the uses of the Funding for bond issuance purposes.
- C. Subject to the limitations of Section VI and with respect to each urban renewal area, PDC shall reimburse the portion of the costs incurred by PHB in performing work falling with Section II(A) of the PHB Scope of Work that exceeds the Program Income received by PHB in that urban renewal area. If the Program Income exceeds PHB's costs in an urban renewal area, PHB shall pay the excess Program Income to PDC. If billings are received with incomplete information or disputed items, PDC will advise PHB in writing what specific information is missing or disputed. PDC will proceed to process payment for items not in dispute. PDC will pay billings not in dispute within 30 days of receipt of the billing from PHB.

VIII. GENERAL

A. Termination.

1. The Termination Date of this Agreement is June 30, 2012. The parties currently anticipate, however, that they will either enter into a new agreement on substantially similar terms and conditions or amend this Agreement to continue the services described in the Scope of Work during the next fiscal year.
2. Early Termination of Agreement. This Agreement may be terminated at any time by mutual written consent.
3. If the parties have entered into a subsequent agreement to continue the services described in the PHB Scope of Work, work shall continue under the subsequent agreement and PHB shall submit a final billing request for work performed under this Agreement within sixty (60) days of the date of termination and PHB will be reimbursed eligible costs incurred through the date of termination in accordance with Section VII.
4. If the parties have not entered into a subsequent agreement to continue the services described in the PHB Scope of Work, upon termination of this Agreement: (a) the work shall cease promptly and a final billing request submitted within sixty (60) days of the effective date of termination, (b) eligible costs incurred through the date of Agreement termination will be reimbursed, and (c) after termination of this Agreement, PHB shall take such actions and execute and deliver such documents as PDC may

reasonably request to provide for an orderly transfer of the urban renewal work conducted by PHB under this Agreement back to PDC or to a third party agreed to by PDC and PHB.

B. Conflict Resolution.

If a dispute arises regarding performance under this Agreement, both parties agree to exercise good faith in expeditiously resolving said conflict in the following manner.

1. All conflicts should first be discussed and resolved if at all possible by the Contract Managers specified in Section V.
2. Any conflicts not resolved by the Contract Managers shall be elevated to the Contract Signatories for discussion and resolution.

C. Compliance with Laws. In connection with its activities under this Agreement, the parties shall comply with all applicable federal, state and local laws and regulations.

D. Indemnification.

Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, PHB agrees to indemnify, hold harmless and defend, PDC, its directors, officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof, resulting from or arising out of the activities of PHB, its officers, employees or agents under this Agreement.

Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, PDC agrees to indemnify, hold harmless and defend, City, its officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof, resulting from or arising out of the activities of PDC, its directors, employees or agents under this Agreement.

E. Subcontracting. PHB may engage subcontractors but shall remain obligated for full performance hereunder, and PDC shall incur no obligation to the subcontractor hereunder. PHB shall have the sole authority to direct the work of any authorized and approved subcontractors. Subject to the limitations of Section VI, the costs of services provided by subcontractors are eligible for reimbursement under Section VI as external materials and services costs.

F. Asset Acquisition and Management. PHB shall manage and dispose of all personal and real property acquired directly by PHB with the Funding, and all Program Income, in a manner consistent with the requirements of ORS Chapter 457.

- G. Status Reports.** PHB shall submit data and information to PDC on its activities under this Agreement, as PDC may reasonably request from time to time in order to prepare reports on the City's urban renewal activities.
- H. Delivery / Maintenance of Records.** PHB shall maintain records on a current basis to support its billings to PDC for work performed under this Agreement. PHB shall retain such billing records as well as all other records related to performance of its work under this Agreement (including but not limited to records whose custody PDC transferred to PHB pursuant to this Agreement) as long as necessary to satisfy IRS records retention requirements and, in any event, until the later of (a) 3 years after termination of this Agreement, (b) the date that any dispute arising under this Agreement is resolved or (c) the date that such records may be destroyed under applicable records retention laws. PDC or its authorized representative shall have the authority to inspect, audit and copy, on reasonable notice and from time to time, all such records to comply with audit requirements or meet other business needs.
- I. Amendments.** This Agreement may be amended only in writing signed by the Contract Signatories..
- J. Effect of Termination.** Sections VIII(A)(3), VIII(A)(4), VIII(D), VIII(F), VIII(G), VIII(H) and VIII(J) shall survive termination of this Agreement.

Inter Government Agreement No.: _____

This Housing Support Services Agreement (“Agreement”), dated this 1st day of July, 2011 (“Effective Date”), is made and entered into by and between the **City of Portland, acting by and through its Portland Housing Bureau** (“PHB” or “Bureau”) and the **Portland Development Commission** (“PDC” or “Commission”).

RECITALS

1. PDC and PHB have entered into a separate Housing Rehabilitation, Finance and Development Agreement of even date herewith (the “HRFD Agreement”), pursuant to which PHB will implement the portion of PDC’s urban renewal activities involving housing rehabilitation, finance and development (referred to herein and in the HRFD Agreement as the “Urban Renewal Housing Projects”) as well as the non-urban renewal housing activities historically conducted by PDC (referred to herein and in the HRFD Agreement as the “Other Housing Activities”), as and to the extent described in the HRFD Agreement.
2. In order to implement the Urban Renewal Housing Projects and the Other Housing Activities in the most effective and efficient manner, PHB has requested, and PDC has agreed to provide, on the terms and conditions of this Agreement, certain services to support PHB’s delivery of the Urban Renewal Housing Projects and Other Housing Activities.

AGREEMENT

I. SCOPE OF WORK

Subject to the terms and conditions of this Agreement, PDC shall provide the following services in support of PHB’s implementation of Urban Renewal Housing Projects and Other Housing Activities. The schedule for delivery of requested services will be consistent with PDC’s current practice for internal delivery of such service. PHB hereby delegates to PDC all authority necessary or desirable to perform such services.

A. Property Management.

PDC will provide the following property management services for the PHB real property listed on Exhibit A (the “Managed Properties”):

1. PDC will provide property maintenance, landscaping and security services. The Managed Properties will be maintained in a clean and orderly condition in accordance with the standards set forth in the City of

Portland Property Maintenance Code (PCC 29.20.010, Outdoor Maintenance Requirements). In addition, PDC will provide leasing/rental management services as appropriate for the particular Managed Property.

2. PDC will maintain insurance coverage on the Managed Properties to include general liability (to the applicable limits of the Oregon Tort Claims Act) and, for Managed Properties with improvements owned by PHB, property damage and professional liability (to the applicable limits of the Oregon Tort Claims Act); provided, however, that insurance on the properties identified in Exhibit A as “Single Family Home” will be limited to general liability. All claims presented by third parties must be processed and adjusted by PDC. If PHB overrides decisions made by PDC as to the acceptable use of a Managed Property that results in damage to the Managed Property or third party liability claims, PHB accepts full responsibility for any resulting claims, including both damages and PDC defense costs including attorney fees. The list of Managed Properties may be revised only by amendment to this Agreement, which amendment may be approved by the PHB Contract Signatory and the PDC Contract Signatory.
3. PDC will apply revenues generated from a Managed Property first to cover third party costs reasonably incurred in managing the Managed Property, such as contracted services, real property taxes, if any, and assessments imposed on the Managed Property. If those third party costs exceed the revenue generated by the Managed Property, PDC will invoice them to PHB as incidental expenses. PDC will periodically confer with PHB on the revenues generated by a Managed Property and, if those revenues exceed third party costs, PDC will, at PHB’s request, distribute to PHB the portion of the net proceeds that exceed reasonable reserve amounts. If a Managed Property was acquired with urban renewal resources, any net proceeds from that property distributed to PHB will be considered Program Income (as defined in the HRFD Agreement) subject to the restrictions of the HRFD Agreement. PDC will not apply revenues generated from a Managed Property to cover PDC charges for personal services and associated benefit and indirect costs.
4. In addition to the provisions of this Section I(A), PDC shall provide the services set forth in Exhibit A-1 as part of its management of the Headwaters Apartments. For purposes of management of the Headwaters Apartments, in the event of a conflict between Exhibit A-1 and the language of this Section I(A), Exhibit A-1 shall control.
